At last! A masterly abridgement of *The Cambridge Medieval History* in two richly illustrated, wonderfully readable volumes.

THE CAMBRIDGE MEDIEVAL HISTORY, completed in 1936, swiftly became accepted by professional historians as a standard definitive work on the Middle Ages. Its reputation soon excited the interest of general readers as well. But because of its truly monumental bulk and its necessarily high price, it remained beyond the reach of many. To condense it into a compact form without sacrificing its dramatic power, its vivid reality, its sound scholarship, its unerring judgment was a task of towering dimensions.

One of the original editors, C. W. Previté-Orton, was persuaded to do the job and the result is a work that retains the essence of the complete eight-volume work while adding Previté-Orton's own writing mastery. The original and vivid illustrations assembled especially for this edition by Dr. S. H. Steinberg make it almost an encyclopaedia of the Middle Ages, illuminating not only the great forces and personalities, but also the strange and curious byways that give the reading of history its flavor.

THE SHORTER CAMBRIDGE MEDIEVAL HISTORY

2 volumes, boxed. 1,202 pages, 265 illustrations, 26 maps, 27 genealogical tables.

$12.50 at all bookstores **CAMBRIDGE UNIVERSITY PRESS**
